# Sanelli

COLTELLERIE SANELLI

**C**oltellerie Sanelli Srl has been producing knives in Premana, Italy since 1864. The production includes a vast range of cutting items suitable for every need. All of the articles are made in Italy, thanks to modern technologies and to the century experience of artisans. By creating the Premana Professional collection, the aim of Coltellerie Sanelli Srl is to make a decisive contribution to improving safety, reliability and hygiene at work. All Premana Professional knives are certified NSF.
